Dear Sir/Madam,

**Reference for Barrett Foods Limited**

We are pleased to introduce and recommend the services of Barrett Foods Ltd.

We engaged their services from the Month of November 2018 and their services have been excellent. Their scheduled deep cleaning of the Canteen and environs provides a clean environment for the service delivery and their feedback assessment allows us to stay in communication with suggestions.

We are therefore delighted to recommend their services to you.

Sincerely,  
For Petra Energy Ltd
